VEGA

The elegant, slim Zuno basins emphasise the modern look of the Vega bathroom furniture. The wall-mounted vanity units are available in a glossy white finish with a platinum oak decor and come with a chrome handle. To increase storage space, we recommend combining the vanity units with additional cabinets and shelves. The drawers are equipped with Hettich soft-close slides, and the doors feature soft-close hinges.

Can be fitted with legs - see www.aqualine.cz/sk
