Technical drawing of a vertical pipe assembly with a horizontal outlet. The drawing shows a side view of the assembly mounted on a base. Key dimensions include a total height of 279, a mounting flange diameter of 50, and a horizontal outlet diameter of 20. The outlet is positioned 180 units from the centerline. A maximum clearance of 40 is indicated between the mounting flange and the base. The drawing also shows a top view of the mounting flange with a central hole and a side view of the outlet pipe with a 13mm offset.
