KAISA Hebel für Wasserhahn, schwarz/gold matt (Bestellcode: ZT095-01)

Technical drawing of a vertical support structure, showing two views: a side elevation and a top view.

Side Elevation View:

- Overall height: 254
- Height to the center of the base: 234.7
- Horizontal distance from the vertical centerline to the base center: 192.2
- Horizontal distance from the vertical centerline to the top of the base: (21.44)
- Horizontal distance from the vertical centerline to the top of the base: 316
- Horizontal distance from the vertical centerline to the top of the base: 15
- Horizontal distance from the vertical centerline to the top of the base: 10°
- Horizontal distance from the vertical centerline to the top of the base: Ø 38
- Horizontal distance from the vertical centerline to the top of the base: Ø 55
- Horizontal distance from the vertical centerline to the top of the base: M32x1.5
- Horizontal distance from the vertical centerline to the top of the base: 2-G1/2"-2B
- Horizontal distance from the vertical centerline to the top of the base: MAX 35

Top View:

- Overall width: 211
- Overall height: 38
- Horizontal distance from the vertical centerline to the top of the base: Ø 38
- Horizontal distance from the vertical centerline to the top of the base: 3
- Horizontal distance from the vertical centerline to the top of the base: 58
- Horizontal distance from the vertical centerline to the top of the base: 4
