Glass finish: Antidrop
Glass thickness: 8 mm
Weight / Piece: 41.0 kg
Packaging: 2 Piece
Warranty: 2 years

A 3D perspective diagram of a corner window. It features a light blue rectangular glass pane set within a black frame. The frame is composed of two vertical sections and a horizontal section at the top. The glass pane is positioned between the two vertical sections, and the top horizontal section is visible above it. The entire assembly is shown within a white corner structure, suggesting it is part of a larger building facade.
