

BOSSE 17,5x50

Properties

Size	17,5x50
Shape	Rectangle
Surface	Matt
Colours	Brown, Gray
Texture	Wood
Character	Anti-slip surface
Category	Wood Effect Tiles

Explanations

Matte surface
Matt glaze tile.

Anti-slip surface

Non-slip tiles meet prescribed friction coefficient values. This indicates the resistance of the pavement in shear friction. Anti-slip tiles provide greater safety in areas where there is an increased risk of slipping, whether walking barefoot or in footwear.
